**As we journey this Advent/Christmas season into the fullness of the Incarnation of God among us, may we come to know deep within, the light that shines in each of us! A light that pierces the darkness and shines into the world! Our light transforms the world, transforms the place where we are each and every day! May the light of the Advent season, symbolized in the flames of the Advent wreath, give us courage and perseverance that leads to compassion and joy this Christmas Day!**

**Happy Advent!**
